Scholarship fund in memory of Janet Schoon

Janet Schoon taught 5th grade band in all the Troy Elementary Schools for over 20 years. She had a passion for music education and was incredibly dedicated to her students. Sadly, Janet passed away on January 2nd. The Schoon family has created a GoFundMe to establish a scholarship in memory of Janet. This scholarship will be specifically for Troy 5th grade band and orchestra students to take private instrument lessons.

Please see the link below to the GoFundMe page if you would like to contribute to the scholarship. <https://gofund.me/672526b1>
